

## CYCLONE-WRECKED.

A British Convict Transport Steamer Goes Down.

### SEVENTY-SEVEN LIVES LOST.

But Six Saved from a Crew of Eighty-Three—A Number of Convicts and Several Guards on the Land Were Injured. Other News from Across the Atlantic.

CALCUTTA, Nov. 10.—The British convict transport steamer *Enterprise* has been wrecked by a cyclone near the Andaman islands convict settlement, and seventy-seven out of her crew of eighty-three drowned.

At the settlement a number of buildings were unroofed and, for a time, there was a terrible panic among the convicts who were in confinement. They imagined that the end of the world had come and yelled and bawled to be let loose. The guards, who were badly scared, had the utmost difficulty in keeping the prisoners in order.

A number of East Indian convicts, several of the guards and two officers were more or less severely injured by falling timbers.

The loss of the *Enterprise* is to form the subject of a government inquiry. It is claimed that the vessel was not fitted for the work assigned to her.

### Turkish Troops Defeated.

CONSTANTINOPLE, Nov. 10.—News from Yemen is very discouraging to the Turkish cause. The rebels have made two assaults on the capital of the province in which the Turkish forces are surrounded and the last time nearly with success. The sultan is said to be considering whether he will grant the demands of the insurgents, which amount substantially to home rule by a native prince and native judges, under the suzerainty of the sultan, and a reduction of the enormous burden of taxation. From present indications, if the sultan does not yield something he may lose everything in Arabia, as the insurgents will not, it is believed, stop short of driving the Turks out of Yemen. The sultan is said to feel more anxious on this subject than on any European question.

### Financial Crisis in Berlin.

BERLIN, Nov. 10.—So far as known all the banks have survived the run upon them. The greatest run was upon F. W. Krause, in the Leipziger strasse. Everybody was paid. Frantic excitement reigned. Early in the afternoon the police had to regulate the crowd at some banks. The Kaiser ordered hourly reports to be made to him as to the condition of affairs, and at latest accounts he was debating whether he should summon a council to decide if a general financial inquiry was desirable and needful.

### Conflict with the Police.

PRAGUE, Nov. 10.—Five hundred students and shop boys (Bohemians) marched to the German gymnasium, at Smichowman, crying: "Down with the German school." The mob had a conflict with the police, who made five arrests.

### The Sultan's Agents Beheaded.

ALGIERS, Nov. 10.—The inhabitants of the Oasis of Fouat have beheaded five agents of the Sultan of Morocco sent to collect tribute. France claims the oasis and has sent troops to occupy it. A collision with Moorish troops is feared.

### Lively Limerick.

LIMERICK, Nov. 10.—This city yesterday was the scene of a fierce conflict in which forty soldiers and a mob of people were engaged. Four soldiers were seriously wounded with knives. Six civilians were arrested.

### Closing Up Churches.

TIFLIS, Nov. 10.—Three more leading Protestants have been arrested and deported for five years to the Persian or Turkish frontier. The police are closing all Protestant churches except the Lutheran.

### FOUGHT FOR \$1,000.

It Only Took Three Rounds to Win the Money.

COLUMBUS, O., Nov. 10.—Tommy Comer, of Cincinnati, was evidently outclassed when he met Ed Gorman, of Buffalo, in the ring last night. At no stage of the fight was he in it, being knocked completely out in the third round. The men fought at 135 and 135 respectively. From the opening Gorman was on the attack and landed at will on Comer's face, jaw and neck, the latter unable to maintain his guard or get back, only with one feeble effort. Gorman's left-hand upper-cut in the second sent his opponent to grass and, as he arose groggy, attempted to foul.

In the third round Gorman went in for a knock-out, and after landing several times on Comer's face sent him on his back with a terrific upper-cut. Comer did not get up within time and Gorman was awarded the fight.

The contest was for \$1,000, and John Murphy, of Cincinnati, was referee. Billy Hawking, of Ottawa, through Denver Smith, challenged the winner.

### Nanticoke Mine Victims.

WILKESBARRE, Pa., Nov. 10.—The number of victims of the Nanticoke mine explosion now reaches twelve. Four more of the injured died yesterday. Their names are: William Williams, Jr., Thomas B. Thomas, Edward D. Williams and David Powell. The latest theory as to the cause of the accident is that some of the men disregarded the rules and worked with naked lamps, which set the gas on fire. No blame is attached to the company.

### Forest Fires.

VINCENNES, Ind., Nov. 10.—Saturday and Sunday forest fires raged in Johnson, Harrison, Decker and Vincennes townships, this county, on the river DuChesne, doing great damage to timber and fences. Men worked all night to keep the fire from corn fields and buildings. In what is known as the Big Thicket the timber for miles around was in a roaring blaze and growing in intensity as it gradually approaches this city. Great alarm was felt.

### FIFTY AND STILL NOT KING.

Celebration of the Prince of Wales' Half-Century Mark.

NEW YORK, Nov. 10.—A dispatch from London Monday, said:

This is a great day for the ultra-loyal element throughout Great Britain. It was on Nov. 9, 1841, that the first offspring of the union of Queen Victoria and Prince Albert saw the light of day in Buckingham palace, and today, having withstood more than one attack of illness that brought him very close to the grave, and having gone through sufficient experience to have tested the constitutions of half a dozen ordinary individuals, his royal highness Albert Edward, prince of Wales, and in the wisdom of Providence, the future king of England, is celebrating the fiftieth anniversary of the day that brought him into the world.

If there is any truth in the stories of the feeling against the heir-apparent, as a result of recent scandals, that exists among the masses, it is certainly not to be made evident today. All over the country church bells are ringing joyous peals and flags are flying. In this city, as well as in Manchester, Liverpool, Birmingham and other large towns, the large employers of labor have declared a public holiday. The public schools generally are closed, so far as the day's routine is concerned, and in many of them patriotic exercises were held this afternoon. The prince himself, with the princess and the members of his immediate family, are quietly observing this day with a family party at Marlborough House, where he is receiving numerous dispatches of congratulation.

The jubilee birthday presents, too, have been numerous and of the greatest value. None of them have been exposed to view, nor has any statement been furnished to the press, but it is understood that one of the most valuable came from the queen, and that the gift of his nephew, the German emperor, represents an expenditure of 100,000 marks. The latter was presented to Prince Henry of Prussia, who, with the ex-Empress Frederick, are guests at Marlborough House today. The corporation of London had proposed to celebrate the event by giving a banquet and presentation to the prince, but the latter declined it on the ground that in his advancing years he did not care to receive so much public attention.

### ELECTORAL COLLEGE.

The Number of Votes Each State is Entitled To.

WASHINGTON, Nov. 10.—The elections have aroused political speculation; there is renewed desire to know exactly how the electoral college is composed now. The following table gives the number of votes of each state under the latest apportionment:

Alabama.....	11	Nebraska.....	3
Arkansas.....	8	Nevada.....	3
California.....	9	New Hampshire..	4
Colorado.....	4	New Jersey.....	10
Connecticut.....	6	New York.....	36
Delaware.....	5	North Carolina..	11
Florida.....	4	North Dakota....	3
Georgia.....	13	Ohio.....	23
Idaho.....	3	Oregon.....	3
Illinois.....	24	Pennsylvania.....	33
Indiana.....	15	Rhode Island....	4
Iowa.....	18	South Carolina..	9
Kansas.....	10	South Dakota....	4
Kentucky.....	13	Tennessee.....	12
Louisiana.....	8	Texas.....	15
Maine.....	6	Vermont.....	4
Maryland.....	12	Virginia.....	13
Massachusetts..	15	Washington.....	4
Michigan.....	14	West Virginia..	6
Minnesota.....	9	Wisconsin.....	12
Mississippi.....	9	Wyoming.....	3
Missouri.....	17		
Montana.....	3	Total.....	444

In making calculations of possible results, it should be remembered that Michigan will not vote as a whole, but by congressional districts. This was expected to give the Democrats at least four votes in that state, but it may not yield more than three.

### INHUMAN DOCTOR.

He Removes the Stitches in a Wound Because He Was Not Paid.

CUMBERLAND, Md., Nov. 10.—Yesterday morning about 5:30 o'clock Frank Laffin was walking along the Baltimore and Ohio railroad tracks when he fell into a "cattle guard," cutting a fearful gash in his leg. Friends carried him to the office of Dr. Craigen, the county physician. The doctor examined the wound, and after dressing it put several stitches in it and then asked for his pay, which was \$2. The men were surprised, as they thought, he being the county physician, there would be no charge. The doctor said if they did not pay him he would undo his work. They insisted they were penniless, and the doctor cut the stitches, thus undoing his work.

It is said the mayor will at once call the attention of the state's attorney to the matter. All persons who are aware of the doctor's action express indignation and disgust. Dr. Craigen is the physician in charge of the jail, almshouse and insane asylum, and is also a member of the United States pension board of examining physicians for this district.

### The Deadly Stiletto.

PUNXSUTAWNEY, Pa., Nov. 10.—Steve Lagra cut Michael Raveish's throat with a stiletto at Walston mines, Sunday night, killing him instantly. Italian and Hungarian miners were drinking beer in a shanty. A quarrel arose and the men separated into factions. Half of the party remained in the shanty. Shortly after the quarrel Michael Raveish left the house, whereupon Lagra seized him and cut his throat. Lagra and two of his companions were arrested. Lagra acknowledges his crime.

### Foraker's Father Ill.

HILLSBORO, O., Nov. 10.—Ex-Governor Foraker's venerable father was prostrated yesterday morning at the breakfast table and is in a critical condition. He is about seventy-six years old, and has always been a hearty and vigorous man. His tall erect form and courtly bearing will be recalled by many of the citizens of Columbus. Physicians say that he is not suffering from paralysis, but that a blood vessel in the brain has burst.
